MEMORANDUM FOR: Chief, Supplemental Programs Division, OC

25X1A   ATTENTION   :

SUBJECT   : Field Engineering Services for System 2 for Period
1 January 1958 - 30 June 1958, Contract No. A-103,
Ramo-Wooldridge

1. Attached is copy 2 of encl. #3, SAPC-22976 (CMCC Doc. No.
1132X5.187) regarding the subject services. It is our understanding
that the company has sufficient funds remaining to cover this
proposal. These funds ($25,000) were requested in Item 1(b) of our
SAPC-19072 and referenced in your Memo SPM 7-211 dated 14 October
1957.

2. Since only a small amount of service will be involved
during the remainder of the fiscal year, and also the fact that
action has been initiated to fund this requirement, we will handle
this requirement through 30 June 1958. It is understood that you
will make arrangements with PO/OL to effect contract coverage for the
period beginning 1 July 1958 for this service if required.

3. Please advise if the scope of work as proposed is
acceptable.
